About our training partner

The Acheson Group (TAG) is a globally recognized food safety consulting firm, led by former FDA Chief Medical Officer Dr. David Acheson. With decades of regulatory and industry expertise, TAG partners with food businesses across the globe to enhance food safety, regulatory compliance, and risk management practices.

TAG specializes in U.S. FDA, CFIA (Canada), and EU food regulations, and has worked extensively with spice manufacturers and exporters to support preventive controls, audit readiness, food defense, recall planning, and import compliance. TAG also provides expert guidance on navigating FDA Import Alerts, responding to detentions and refusals, and qualifying for the Voluntary Qualified Importer Program (VQIP) to streamline U.S. market access.
